

# MRS. FITZ DEFIES THE BENSONHURST ELITE.

Lanky Bob Has Bought a House There and the Fitzes Are Going to Live There Because They Like the Place.

Prizefighter's Wife Sniffs at Suggestions that Beach Society May Try to Invite Them to Move—Bob Says They Won't.

Mrs. Bob Fitzsimmons, concerning the objections to her buying a house at Bensonhurst, dictated this statement to an Evening World reporter to-day:

"I want to move to Bensonhurst, not because I want to go to the place itself, but because my sister and my brother live near there. I want there and looked over the house and liked it because it seemed to be as nice as any of the others.

"There wasn't anything said at the time about my husband being a prizefighter, and no objection was raised until I succeeded in getting \$500 off the purchase.

**TRIED TO RAISE PRICE.**

"Then some one said, 'Bob Fitzsimmons is a prizefighter and he ought to get a reduction of \$500.' Then they tried to make me pay it. When I wouldn't pay I heard about these objections.

"We didn't care so much about going there in the first place, but now that the

THIS IS THE HOUSE THAT BOB BOUGHT

society people there have objected to us we are going, and we are going to live there. And we don't care what they say about it.

"I'd like to know who these society people are at Bensonhurst, anyway, who object to our coming there. I would like to see the people who would be contaminated by breathing the same air that we do. I am sure I don't know who they are at Bensonhurst.

"Mrs. Fitzsimmons," she was asked, "suppose a delegation were to call on you and ask you not to live there, what would you do?"

The answer was an indignant sniff. Her husband, who had come in a moment before, stood in the door and answered for her.

"There isn't going to be any committee calling."

Mr. Fitzsimmons said that the deeds and papers would be signed in a day or so.

## WELCOMED BY MANY.

"We have received more than fifty letters and telegrams from people in Bensonhurst saying that they will be glad to have us as neighbors. And these people are the very nicest people in Bensonhurst, too. The others will have to suffer."

# NO PITY FOR DYING SON.

Rabbin, Who Wounded His Father, Asks Forgiveness.

It was only a pitifully scrawled, incoherent note a Sister of Charity carried from one ward in St. John's Hospital, Greenpoint, to another.

In the handwriting of a dying man, it was wet with his tears, but the man who received it, another patient, gazed upon it with a hardened face and tore it up with a word of hate. Even when a gasping whisper reached his ears he did not soften.

"Let me get away from him forever," he said to his nurse.

Joseph Rabbin, who killed his brother-in-law, shot his father and then himself on a hotel piazza at Rockaway Beach, is dying of his wound and consumption, of which he has been for a year a victim. He knows this and has made every preparation.

His one wish in life now is that his father, now rapidly recovering from his wound, shall forgive him. This the stern old man will not do. The note was a plea for forgiveness.

Young Rabbin claims he went to the hotel to ask his father to allow him more than \$5 a week for the few remaining months of his life. Failing in that, he was going to shoot himself in his presence.

When his father harshly bade him begone and his brother-in-law interfered, he declares that in a frenzy of despair he began shooting.

Every day flowers and delicacies come to the hospital for the father. The dying son is neglected.

# BOERS TIRED OF THE WAR.

The People, It Is Said, Are Disgusted with President Kruger.

CAPE TOWN, Aug. 15.—Commandant Prinsloo, who surrendered to Gen. Hunter July 30, has arrived here. He says he is heartily tired of the war and welcomes the prospects of peace.

The Commandant added that a majority of the Boers were "disgusted with President Kruger."

Mr. James G. Stowe, the United States Consul-General, has returned here.

Only ten Boers were in the party which attacked his train. The remainder of the command was composed of foreigners. Mr. Stowe says the majority of the Boers desire a cessation of hostilities.

# DR. LEVERSON'S PLOT. CAPTURED FILIPINO LETTERS PUBLISHED.

Plan to Seize United States Officer and Try Him for Piracy—"McKinley a Liar."

WASHINGTON, Aug. 15.—The War Department has made public the Filipino correspondence, captured some months ago by Gen. Funston's command in Luzon. It was translated from Spanish under the direction of Capt. John R. M. Taylor, of the Fourteenth Infantry, who is in charge of insurgent records.

There is a letter from Montague R. Leverson, dated Fort Hamilton, N. Y., July 1, 1899, and addressed to Senor G. Apacible. It says in part:

## LEVERSON'S LETTER.

"Dear Sir and Brother: Our friend, Albert S. Parson, of Lexington, gave me your name as one to whom I should write as a representative Filipino.

"I am a member of the Anti-Imperialist League of Boston, of which George S. Boutwell is President, and Erving Winslow is Secretary. I have published many articles and letters denouncing the piratical war carried on by President McKinley against your people. He and Gen. Otis and all his troops are pirates upon the territory of the natives.

"Our Presidents are not in the position of kings. Our Presidents are not in the least authorized to make war without the consent of Congress, as McKinley is doing, and all persons compromised in this war are pirates.

## A CHARGE OF PIRACY.

"I should like to suggest a plan to you. It is this, you should seize some official of rank in the service of the United States and then inform the foreign Consuls that he was to be brought before a council of war for piracy, and write to said consuls to have representatives present at such council of war to see that it is legal.

"Piracy would be shown by conducting war in violation of the usages of civilized war, and the proof would consist in the fact of the capture of killing defenseless prisoners and non-combatants, men, women and children, in cold blood and in robbery by officers and soldiers from non-combatants.

"If I were not an old man of more than sixty years I would willingly aid you in your just defense.

"I also suggest that the Filipino Congress send an address to the people of the United States.

"I shall not give you the heads of this appeal. I merely point out some things which will especially influence the people.

## "McKINLEY A LIAR."

"For example, a reference to the Declaration of Independence must be inserted, but I believe that it is also necessary for you to mention in your appeal the points I have made above to show that this war is piracy, using them to bring out the want of Christian feeling of the soldiers.

"You must also show that McKinley keeps the people of the United States in ignorance of the true facts; that he and members of the Cabinet have deliberately lied to secure the ratification of the treaty of peace with Spain without the clause which would have assured the liberty of the Philippines.

"That they deliberately lied when they said that Aguinaldo advised Aguinaldo to fight, and that a telegram stating the opposite was intercepted. This was

# MARRIED AT 7 A. M. IN HOME CHAPEL.

Cardinal Gibbons and Other Church Dignitaries Participate in Brilliant Nuptial Ceremonies of Miss Keiley.

HELEN MARY PIA KEILEY SULLIVAN.

For the first time in the history of the Roman Catholic Church in this country a marriage was solemnized this morning between Catholics in a private chapel by a Bishop of the Church.

The marriage was that of Helen Mary Pia Keiley, the beautiful daughter of Major John D. Keiley, of Dublin, Ireland, a lawyer, of Brooklyn, and a friend of the bride's father, Colonel John D. Keiley, of Brooklyn, who performed the marriage ceremony.

The marriage ceremony was performed by Bishop Benjamin J. Keiley, of Savannah, Ga., an uncle of the bride, in the handsome chapel in the Keiley residence, 213 Clermont avenue, Brooklyn. A special dispensation from Pope Leo made this possible. The marriage and attendant ceremonies were brilliant and impressive.

Major Keiley has many friends among the dignitaries of the Church, and as a mark of respect to him and his handsome daughter a score or more of clergymen were present at the wedding.

The ceremony was strictly private.
